

Spunlace for *Dynamic Cleaning*

3DSwipe is an extraordinary nonwoven from Welspun, has 3D surface structure and demonstrates outstanding functional properties including lower lint and reduced cross-direction stretch.

### 3D FEATURES

- ▶ 3D structure provides additional pockets to capture & remove dirt.
- ▶ Enhanced cleaning efficacy with minimal fewer residues on surface.
- ▶ Reduced cross-machine direction elongation, making the wiper sturdier during performance.
- ▶ 3D structure and stronger bonding of fibers result in low lint fabric

### KEY ADVANTAGES

**35%** HIGHER  
CD STRENGTH

**25%** LOWER  
CLEANING TIME

**20%** HIGHER  
DIRT PICKUP
