

ADVANCED FOOD SERVICE CLEANING WITH WEL-QUAT

**Supreme Quality Spunlace Nonwoven
for Quaternary Cleaning Solutions.**

WelQuat is the best suitable nonwoven substrate for the QUAT dry wipers significantly preferred by Food Service Industry. This absorbent spunlace non-woven is proven to be class-apart. It helps to prevent contamination, bacteria and mold. Unlike generic food service towels which deplete the quaternary solution's proper sanitizing strength; it continually releases the effective levels and required ppm of cleaning solutions to food service surface.

FEATURES:

**NATURAL &
